to get rid of her negative thoughts and feelings.

Pristina. List the words that hurt Lolly's feelings
Are there other words that can hurt feelings?
Empty them out on the page.

Have you ever been left out of a group
or a club? How did it feel? Let all
of those feelings go into words

Once Lolly's hurt feelings
got out of the way she decided
to make up a new story for her doll.
Soon Lolly's "Thought Bubble" was
filled with lots of fun and weird
